## *Did You Know?*

Getting a big nationwide organization off the ground is no easy task, so after A.A. had been up and running for three years, the group wrote a letter to one of the nation's most famous teetotalers, J.D. Rockefeller.

They didn't ask for any cash; instead, they simply wanted the savvy businessman advice on growing and funding their organization.

Rockefeller, though, was quite taken with the A.A. and pledged enough financial support to help publish a book in which members described how they'd stayed on the wagon. Rockefeller also gave Bill W. a grant to keep the organization afloat, but the tycoon was worried that endowing A.A. with boatloads of cash might spoil the fledgling society. Instead, he gave Bill W. and Dr. Bob \$30 apiece each week to keep A.A. up and running.

We here at the WSFC we don't know many Rockefellers to help us keep our doors open, but we do know quite of few alcoholic/addicts that know the blessings of our club. The blessings of being a member.

So many have asked "What do you get with the membership". There are some perks, like savings at the book cabinet, emails from the club, and maybe if you're lucky you can win some stuff at our upcoming Membership Appreciation Day, and let's not forget the page turner of the WSFC newsletter each month. Other than that, we really don't get anything but gratitude for the opportunity to be of service. .

But, what *we also receive* is the gift of giving. Every single Day, 365 days a year, 14 hours a day, you provide a safe place for someone to go for spiritual growth, an indescribable feeling of safety, a nonjudgmental eye, caring inspiring words, knowledge of our amazing literature, a kind friend, an amazing array of advisers sharing experience strength and hope for a future who many feel that they don't have one. Some need our club, a few days a month, a few days a week, some every day, some every hour. This is what the hand of AA is, and without your help as members of this great club, we cannot keep the doors open. So if you are a returning member, welcome back, and if you are a new member, welcome aboard, and *thank you for giving this opportunity to thousands of people who need our hands to help them recover from our disease of Addiction.*
